Dear Members

I am glad to inform you that a Defence Suppliers/ Vendors conference will be organized by AMCHAM on Wednesday, 20th October, 2010 at Bangalore.

The conference will endeavor to invite co - operation partners from all over India to attend and interact with prospective co - operators and business partners from the US.

I request you to support this initiative and participate along with your other US based business partners.

Ajay has informed me that FICCI has promised support to ensure a good participation from the Indian side.

We will further discuss this issue at the next meeting on the 13th of July.

With Best Regards

Dr. Vivek Lall
