Mr. Rakesh Garg
Secretary
Department of Telecommunications
Government of India
New Delhi

Dear Mr. Garg,

Sub: National Telecom M2M Roadmap

Greetings from the American Chamber of Commerce in India (AmCham), the association of U.S. companies operating in the country!

AmCham appreciates the efforts of the DoT in bringing out the very timely National Telecom M2M Roadmap. This Roadmap will facilitate use of technology in fulfilling Government's vision of 'Digital India' and 'Make in India'.

May we urge the DoT to start the process of consultation with all the stakeholders including AmCham on formulating guidelines? Such interaction will facilitate the Government to bring about guidelines which will be in line with global standards and will facilitate large scale rollout of IoT / M2M based services and bridge the digital divide in India.

With kind regards,

Yours sincerely,

A handwritten signature in blue ink that reads "Madhvi Kataria".

Madhvi Kataria
Deputy Executive Director
