August 29<sup>th</sup>, 2017

**Ms. Aruna Sundararajan**  
Secretary  
Department of Telecommunications  
New Delhi

Dear Ms. Sundararajan,

### 2018 National Telecom Policy Recommendations

We truly appreciate the Government of India's initiative seeking industry's opinion and suggestions in preparation of the new Telecom Policy 2018.

AMCHAM, the apex chamber of American companies in India, has the recommendations on following:

- Manufacturing of Telecom Products
  - Certification/Approval Process Telecom Products
  - Telecom Products Planning
  - Broadband
  - Standardization of telecom products
  - OFC Network Installation
  - Infrastructure
  - Address the issue of double taxation on AGR and License Fee
  - Revenue neutrality
  - Corresponding obligations of Government
  - Ease of doing business
  - IPR & security of networks
  - Regulatory policy as key enabler to Digital transformation through License Reforms
  - Machine-2-Machine (M2M)
  - Over The Top (OTT)
  - Security & Privacy
- (Details attached)

We would be available for further discussions or for any clarifications required.

Awaiting your response at your earliest convenience and with best regards,
